

# The rules about what we can do **are changing**

**From 29 March:**

Pin me  
to your  
noticeboard  
or fridge

Let's all keep going so we can get back to doing things we love to do.

Minimise your travel.  
You can travel to meet people, but you should stay near to where you live.

Six people or two households can meet outdoors.

No household mixing indoors.

Outdoor sport and outdoor leisure open again i.e. golf courses and outdoor tennis courts

Outdoor parent and child groups can start again
